See Aid Categories Explained.

¹ Annual Eligibles: An unduplicated count of individuals who qualified for full or partial Medicaid coverage and were enrolled in Medicaid for at least one month of the fiscal year.

Aid Categories Explained

Note: Amounts are after any deductions taken for work expense or disabled adult/child care expenses. SOBRA adults (pregnant women), QMB, SLMB, Plan First, and QI-1 eligibles receive limited or partial benefits.

MLIF - Medicaid for Low Income Families – Parents and/or qualifying caretakers of related children under age 19 who live in the home and whose family income is approximately 11 percent of the Federal Poverty Level (FPL) or less. In 2012, this was \$194 per month for a family of four. Count also includes foster children, refugees and infants of SSI mothers.

For the purpose of simplifying this report only, the following four categories are included in the MLIF category.

- Refugee Medical Assistance (RMA) - Time limited medical assistance benefits are provided to refugees determined eligible through the refugee resettlement program, who are not otherwise eligible for any Medicaid program.
- Foster / Adoptive Child – Federal - Foster children and children receiving adoption subsidies who meet federal requirements for title IV-E eligibility are automatically eligible for Medicaid.
- Foster /Adoptive Child – State - Children in foster care or state adoptive placements who do not meet title IV-E requirements for federal foster care payments but meet income levels for MLIF and have special circumstances
- Newborns of SSI mothers - Children under 1 year of age who are born to mothers certified for Medicaid through SSI who are eligible for Medicaid up to the child's first birthday.

Aged - Individuals who are age 65 or older and meet income and asset (resource) requirements. Aged recipients fall into one of three general categories: 1) Institutional care recipients in nursing homes, hospitals and ICF-MR facilities; 2) Elderly or disabled people who live in the community and receive services through one of seven Medicaid Home and Community-Based Waiver programs; or 3) people who no longer receive Supplemental Security Income (SSI) payments but have their Medicaid benefits protected under certain laws.

Disabled (by Social Security standards) – Individuals who have been certified as disabled by Social Security Administration or the Alabama Medicaid Agency. Recipients must also meet income and asset (resource) requirements. Disabled recipients fall into one of three general categories: 1) Institutional care recipients in nursing homes, hospitals and ICF-MR facilities; 2) Disabled people who live in the community and receive services through one of seven Medicaid Home and Community-Based Waiver programs; or 3) People who no longer receive Supplemental Security Income (SSI) payments but have their Medicaid benefits protected under certain laws.

SOBRA (Sixth Omnibus Budget Reconciliation Act) – Medicaid's largest eligibility group includes pregnant women and children under age 6 whose family income is 133 percent of the FPL or less, plus children ages 6 up to 19 whose family income is 100 percent of the FPL or less. SOBRA adults (pregnant women) receive pregnancy-related services only. Children receive full coverage.

Qualified Medicare Beneficiary (QMB) only - Medicare beneficiaries whose income is at or below 100 percent of the FPL. In 2012, this was \$951 per month for an individual. No asset test is required. Coverage is limited to payment of Medicare monthly Part B premiums, plus Medicare deductibles, coinsurance and co-payments.

Blind – Blind individuals who receive Supplemental Security Income (SSI) assistance.

Specified Low Income Medicare Beneficiary (SLMB) only and QI-1 – Limited coverage programs that pay for the Medicare Part B premium only. To participate in either program, applicants must have Medicare Part A coverage. No asset test is required. SLMB recipients have incomes of more than 100 percent and less than 120 percent of the FPL. QI-1 recipients must have income between 120 -135 percent of the FPL.

Plan First – Women age 19 through 55 years and whose income is below 133 percent of the FPL qualify for family planning services only from Medicaid. They must not have creditable insurance coverage or otherwise qualify for full Medicaid coverage.
