<sup>1</sup>. The number of licensed nursing home beds is derived from the State Health Planning and Development Agency's (SHPPA) annual reports and the Alabama Department of Public Health's Healthcare Facilities Directory. This number represents the number of licensed nursing home beds as of June 30 of each year and includes skilled nursing facilities (SNFs), nursing facilities for individuals with developmental delays (NFIDDs). This number excludes intermediate care facilities for the intellectually disabled, swing beds (temporary nursing home beds in hospitals), and veterans' homes.
