On March 12, 2012 the Alabama Medicaid Agency issued intent to award notice to Deloitte for the replacement of their eligibility and enrollment system. This contract calls for a completely new enrollment system replacing the current 30 year old system. The new system is scheduled to be complete by December 31, 2015 with a one year stabilization period to follow. The total proposed cost of the new system is \$54,891,806.68 with the federal government providing 90% of the funding.
